

1) not included in scope of delivery, 2) Active surface data carrier, 2) Magnet, 4) Read/write head installation, 5) Read/write head

Basic features

| | |
|-------------------------------|---------------------|
| Application | Assembly |
| Principle of operation | Holding RFID system |
| Short description | Magnetic holder |
| Style | Cylinder |
| Use | for RFID read head |
| Version | Magnetic holder |

Material

| | |
|-------------------------|-----------|
| Housing material | POM |
| Material | POM black |

Mechanical data

| | |
|------------------|--------------|
| Dimension | Ø 60 x 69 mm |
| Size | M30x1.5 |

Environmental conditions

| | |
|----------------------------|-------------|
| Ambient temperature | -25...80 °C |
|----------------------------|-------------|

Remarks

Compatible with BAM02MW
