

# PRODUCT SPECIFICATION REPORT

Venture II is a foaming, hospital grade, disinfectant cleaner packaged in a convenient aerosol can.

## VENTURE II

Cleaner, Disinfectant, & Deodorizer

PROD.#0006

### FEATURES/BENEFITS:

Powerful Cleaning	Excellent detergent system quickly cuts through grease, heavy soil, hard water scale, and soap residues
Disinfectant	Powerful quaternary ammonium germicides kill Staphylococcus aureus (staph), Salmonella enterica, Pseudomonas aeruginosa and are virucidal against HIV-1
Deodorant	Neutralizes unpleasant odors and controls the odor source, leaving a pleasant, clean, fresh fragrance on surfaces
Mildewstat & Fungicidal	Controls mold and mildew on non-porous surfaces and is fungicidal against the pathogenic fungi, Trichophyton mentagrophytes, (Athlete's Foot Fungus)
Thick Foam	Product dispenses as a thick foam which extends contact time, especially on vertical surfaces
No Rinse Formula	Spray on and wipe off. No rinsing required except on food contact surfaces

**NOTE:** Refer to label for detailed instructions on product use.

### APPLICATIONS:

This product, when used as directed, is formulated to disinfect hard non-porous surfaces such as walls, floors, bathroom surfaces, chairs, tables, telephones, hampers, cabinets, hospital beds, examining tables and wheelchairs. This product is designed for cleaning, deodorizing, and disinfecting surfaces in medical facilities, nursing homes, schools, hotels, office buildings, retail stores, and food service establishments.
